## 2 JOIN THE ARENA

Explore Mutants: Genesis' universe through different game modes

Test your mettle in competitive PvP

Challenge bosses and dungeons with up to 3 players

Or play through a narrative campaign to unlock content for both PvP and PvE. Find out what lies behind the psychogs, the corporations that run them, and your own role.

## 3 PLAY THE WAY YOU WANT

Choose your path and who will fight alongside you. It is yours to decide how to face the challenges ahead of you.

## 4 COLLECT!

No booster or expansion packs: new mutants and events are added to the game regularly.

When you're on the battlefield, your cards come to life with their own animations.

Build your decks and assemble your army with over 200 cards across 6 different genes.
